Mystery Solved.
THE GREAT SECRET OF THE WONDERFUL
SUCCESS OF VEGETINE.

It strikes at the root of disease by purifying the blood, restoring the liver and kidneys to healthy action, invigorating the nervous system.

RELIABLE EVIDENCE.

MR. H. R. STEVENS:—
DEAR SIR—I will most cheerfully add my testimony to the great number you have already received in favor of your great and good medicine, Vegetine, for I do not think enough can be said in its praise, for I was troubled over thirty years with that dreadful disease, scrofula, and had such coughing spells that it would seem as though I could never breathe my more, and Vegetine has cured me; and I do feel to thank God all the time there is so good a medicine as Vegetine, and I also think it one of the best medicines for coughs and weak sinking feelings at the stomach, and advise everybody to take the Vegetine, for I can assure them that it is one of the best medicines that ever was. MRS. L. GORE,
Cor. Magazine and Walnut Sts.
Cambridge, Mass.

THOUSANDS SPEAK.

Vegetine is acknowledged and recommended by physicians and apothecaries to be the best purifier and cleanser of the blood yet discovered, and hundreds speak in its praise who have been restored to health.

REPORT FROM A PRACTICAL CHEMIST AND APOTHECARY.

Boston, Jan. 1, 1874.
DEAR SIR—This is to certify that I have sold at retail 15½ dozen (182 bottles) of your Vegetine since April 12, 1870, and can truly say that I have given the best satisfaction of any remedy for the complaints for which it is recommended that I ever sold. Scarcely a day passes without some of my customers testifying to its merits on themselves or their friends. I am perfectly cognizant of several cases of Scrofulous Tumors being cured by Vegetine alone in this vicinity.
Very respectfully yours,
A. GILMAN,
468 Broadway.
To H. R. STEVENS, Esq.

VEGETINE

WILL CLEANSE SCROFULA FROM THE SYSTEM.

HONEST OPINION.

MR. H. R. STEVENS:—
DEAR SIR—This is to show that my son was taken sick in January, 1864, with Scrofula, which came out in large sores and ulcers on his leg and hip. His leg was swelled more than twice its natural size. He had several doctors of high standing in their profession—two from Boston and three from Charlestown—without getting a bit better. He was obliged to lie wherever he was placed, for he had no use of his limbs whatever. When we had given up all hopes of his living we were told to try Vegetine, the great blood remedy; and he had taken it but a short time before we did see a great change. The sores run so bad that we had to change the cloths four or five times a day. Still, he was getting better; for he could move his limbs and help himself a little. He was soon able to sit up in bed, and, by constant use of Vegetine, it has cured him. He has a lame leg, which he will probably have for life; but we all honestly believe if we had used Vegetine before we had bothered with those doctors it would have saved the use of his leg, and restored it to natural health. I have all those troubled with scrofula will read this testimony of me and my son, who is now well and able to speak for himself

CATHERINE MAHONEY,
DANIEL MAHONEY,
19 Trenton St., Charlestown, Mass.
May 10, 1873.

The above plain but honest statement conclusively shows the quick and thorough cleansing effects of the VEGETINE in Scrofula.

Vegetine is acknowledged by all classes of people to be the best and most reliable blood purifier in the world.

Dec. 17, 1875. Administrators.

Ayer's Cathartic Pills,

For the relief and cure of all derangements in the stomach, liver, and bowels. They are a mild aperient, and an excellent purgative. Being purely vegetable, they contain no mercury or mineral whatever. Much serious sickness and suffering is prevented by their timely use; and every family should have them on hand for their protection and relief, when required. Long experience has proved them to be the safest, surest, and best of all the *Pills* with which the market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole machinery of life restored to its healthy activity. Internal organs which become clogged and sluggish are cleansed by *Ayer's Pills*, and stimulated into action. Thus incipient disease is changed into health, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or diet, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion**, **Listlessness**, **Languor** and **Loss of Appetite**, they should be taken moderately to restore tone to the stomach, and restore its healthy tone and action.

For **Liver Complaint** and its various symptoms, **Bilious Headache**, **Sick Headache**, **Jaundice** or **Green Sickness**, **Bilious Colic** and **Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa**, but one mild dose is generally required.

For **Rheumatism**, **Gout**, **Gravel**, **Palpitation of the Heart**, **Pain in the Side**, **Back** and **Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings**, they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression**, a large dose should be taken, as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

IS IT YOU

Who said that you would like to get such Clothing as City People wear, rather than the *wholesale goods* commonly sold? This will tell you how to do it.

The very large increase of our business allows us to make A STILL LOWER SCALE OF PRICES, AND

You Can Save Enough
in buying a Suit at Oak Hall
TO PAY FOR THE TRIP

from anywhere in this County to the City of Philadelphia, and have a day of sight-seeing besides. Wanamaker & Brown stand by this Statement, and so will you after one trial.

Character of the Goods we sell! For Men & Boys.

TO be sure of what we sell we manufacture our goods, some of them, in our own buildings. They are well cut, sewed and finished. They can be relied upon. Storekeepers out of the city misrepresent us when they say they sell our goods, as we do *not* wholesale, but confine ourselves to retail. We bear no ill-will to any one, and state this only because some dealers sell poor goods as coming from our house. To each of our customers we are responsible for articles bought of us. By our one dollar system the *right names* of the materials on our goods, so one can be misled as to qualities.

How Wanamaker & Brown treat their CUSTOMERS.

THE price in plain figures and *nothing off*. The same price to quarrelsome and kind strangers. To city people and country people equal advantages. With each article sold, a *guarantee* is given, that the Price Less was as it can be bought anywhere, and that the quality is as represented; also, that the money will be paid back in full, if purchaser within 10 days wishes, for any reason, to return the goods, unworn.

Exactly where the Store Is.

THIS is important indeed, because unprincipled people having stores in Philadelphia, cause *imitation* our signs, cards, advertisements, and stop strangers on the street, *with false directions* about where the store is, so that they may sell their commercial goods. There is but one Oak Hall in Philadelphia, it is a large building, the size of four ordinary stores, and is on the South-east corner of SIXTH—SIXTH—SIXTH—SIXTH—SIXTH—SIXTH and Market Streets.

Those who cannot come to the City.

WE send patterns of material and prices by mail when requested. Persons can have made-up goods sent by Express, by sending their measure (we furnish easy directions that any one can measure by), and describing color wanted, and price desired. Payment can be made to the Express Co. on receipt of goods, and the privilege of examining them is allowed before paying. Where goods do not please, we will return the money and pay the expressage back to Philadelphia.

*You should be sure to see our name on the Building and over the door as you enter.*

Schenck's Pulmonic Syrup, for the cure of consumption, coughs and colds.

The great virtue of this medicine is that it ripens the matter and throws it out of the system, purifies the blood, and thus effects a cure.

Schenck's Sea Weed Tonic, for the cure of dyspepsia, indigestion, &c.

The Tonic produces a healthy action of the stomach, creating an appetite, forming chyle, and curing the most obstinate cases of indigestion.

Schenck's Mandrake Pills, for the cure of liver complaint, &c.

These pills are alterative, and produce a healthy action of the liver without the least danger, as they are free from calomel, and yet more efficacious in restoring a healthy action of the liver.

These remedies are a certain cure for consumption as the pulmonic syrup ripens the matter and purifies the blood. The mandrake pills act upon the liver, create a healthy bile, and remove all diseases of the liver, often a cause of consumption. The sea weed tonic gives tone and strength to the stomach, makes a good digestion, and enables the organs to form good blood, and thus creates a healthy circulation of healthy blood. The combined action of these medicines, as thus explained, will cure every case of consumption, if taken in time and the use of the medicines persevered in.

Dr. Schenck is professionally at his principal office, corner Sixth and Arch sts., Philadelphia, every Monday, where all letters for advice must be addressed.

THE BEST PROTECTION.

The best safeguards against epidemic disease are thorough digestion and firm nerves. It is because they assure the regular performance of the digestive process, and invigorate the nervous system that Hostetter's Stomach Bitters are such a sovereign protective against the influences which beget intermittent maladies and those which directly affect the stomach and bowels. If the nerves are healthfully tranquil the assimilation of food perfect, as they are sure to be under the influence of this standard tonic and nervine, malaria may be defied; and if, in the absence of the most reliable of medical safeguards, the system has fallen a prey to disease of an intermittent or remittent type, the bitters will, if persisted in, eradicate every vestige of the malady. Biliousness, constipation, and dyspepsia yield with equal certainty to the operation of this potent vegetable alterative.

Take Ayer's Pills for all the purposes of a purgative, for constipation, indigestion, headache, and liver complaints. By universal accord they are the best of all purgatives for family use.

—o—

It is no wonder that females lose faith in specifics when so many worthless medicines are advertised for the cure of various diseases, but which, when tried are "found wanting." We have to heartily, however, of the great failure of Dr. Wistar's Balsam of Wild Cherry to cure coughs, colds, and pulmonary diseases. 50 cents and $1 a bottle, large bottles much the cheaper.

A TRAIN OF EVILS.

If weakness of the stomach is allowed to become chronic, the following evils supervene—digestion is permanently impaired, the system is very imperfectly nourished, the blood becomes thin and watery, and the bile, being unemployed for digestive and evacuative purposes, enters the circulation through the thoracic duct and injects itself into the superficial veins, giving to the skin and the whites of the eyes the saffron tinge indicative of biliousness. Headache, nausea constipation, pains in the side, heartburn, and many other distressing symptoms which accompany the internal derangement above described, which, if unchecked, is sure to be followed by serious disease, as the rising of the sun by its setting. It is manifest, therefore, that an inability

# The Columbian.

BLOOMSBURG, PA.

Friday, Dec. 31, 1875.

The Public Schools will open on the third of January, 1876.

By the suspension of 130 collieries on Saturday about 25,000 persons were thrown out of employment.

The Executor of John Heath deceased, late of Jackson twp. will sell a tract of land containing sixty-four acres, on January 18th 1876. See Advertisement.

Dr. T. L. Griswold, Profs. Barrows and Barrett attended the teachers' institute at Danville last week. The proceedings of the Columbia county Institute will be published next week.

The brick work of the North Wing on the Normal School Building, four stories high, is completed, this speaks well for the energy and zeal displayed by the Contractors.

We are informed that the mill of Mr. George Vance in Mount Pleasant Township, was burned on Tuesday night last. He had about $2,000 insurance on the property.

Brockway & Elwell have assumed the publication of the Bloomsburg (Pa.) COLUMBIAN. Mr. Brockway formerly published the paper, and has hosts of friends who will be glad to see him again in the chair editorial.—*Typo.*

The administrators of Peter Bitner Jr. deceased will sell a tract of land containing one hundred and eight acres, and a good dwelling house, on January 3d, 1876. See advertisement.

INSTALLATION.—The officers of Catawissa lodge and Chapter were duly installed on last Tuesday by C. F. Knapp. In the evening a grand banquet was held under the skillful supervision of Mr. and Mrs. Hamlin.

The new block of Sharpless & Wagenseller is completed, and these gentlemen have opened their large assortment of notions to the inspection of the public. Messrs. Everett & Potter have moved their book-store into this block, and have a very neat establishment.

THIEVES.—Last week there was stolen from E. B. Bidleman, on Third Street, a dozen chickens. We think it is about time these depredators changed base. Try some other Street, Third Street, below Market, has been cleaned out, and now, Mr. Thief, turn your attention elsewhere.

We had intended to issue no paper this week, but were obliged to do so on account of a large number of legal advertisements. We publish only a half sheet, however, and hope our patrons will bear with us, as it is the only week in the year that the printers ask for their own recreation.

TERRIBLE ACCIDENT.—On Wednesday morning two children of George Greene were left alone in the house at Buck Horn. One of them, aged about three years, commenced playing with the fire when its clothing ignited. The child ran to the porch, but when discovered the clothing was burned nearly off, and the poor sufferer scarcely alive. This is another lesson to parents, and should be heeded.

A new series of stock will be commenced by the Mutual Building and Saving Fund Association of Bloomsburg on Saturday the first day of January 1876. The books will be opened at 3 P. M. If 500 shares are not taken the money will be refunded and the series abandoned. Shares can be taken previously to that time on application to the secretary.

By order of the Board of Directors.

J. B. ROMISON Sec'y.

The Kennedy Komedy Kompany, we believe that is the way they spell it, gave three entertainments in the Opera House, beginning on Friday, the 24th. The plays were of a sensational character, and would have been capital if the audience had been large enough to inspire the actors with a little enthusiasm. J. Holmes Grover has a pleasant manner on the stage, but is by no means a "Star." Frank A. Olliver, in his comic delineations, was good, and other members of the Troupe did well. They ought to have had large houses.

MAN MISSING.—Mr. L. D. Edmond, who resided in Cogan valley, Lycoming county, has been missing since the 25th of November. He started for Liberty, Tioga county, to buy cattle, taking with him considerable money. He told his family when he left home that he would be back the next day. He is a short, thickset man and wore sandy whiskers and moustache. Any information in regard to his whereabouts will be thankfully received by his family, who are now in Williamsport. Papers are requested to give this a notice. There are suspicions that he has been foully dealt with.

At the Danville Opera House on the 11th, 12th and 13th of January, Mr. Arthur C. McNight's fairy operetta of the Naiad Queen will be presented. This is said to be one of the most magnificent spectacular dramas ever offered in this country, the scenery and costumes costing Mr. McKnight $25,000 in Europe. It was performed in Wilkes-Barre to crowded houses for six nights, and in Williamsport ten nights. Every one speaks in the highest praise of the entertainment, and should any of our citizens desire to see it, they will undoubtedly be well paid.

We are informed that the fox chase at Light Street on Christmas passed off very pleasantly. Sportsmen were there from Bloomsburg, Buckhorn, Jerseytown and Orangeville. At one o'clock p. m. Reynard was started thirty minutes in advance of a dozen or more of the best and swiftest hounds in the County, and in less than one hour after the hounds were loosed he was forced to take refuge in a hollow tree, where both fox and hounds were soon discovered by the horsemen in pursuit. An ax was hastily obtained, the hounds all placed again in restraint, in order to fell the tree without injury to the dogs, but while the tree was being worked down from its lodgement on other trees, the fox jumped from the hollow of the tree, when the hounds were at once set free, and captured the fox in a few minutes thereafter. All was merriment and good humor with the crowd that assembled to witness the chase.

The State Grange which has just closed its annual session at Lancaster was largely attended —about 700 representatives of subordinate granges being present. There are in this State about 30,000 Patrons of Husbandry, of which Dauphin has eight granges. The first grange in Pennsylvania was founded in Lancaster city in 1038. The granges in the State are located as follows: Bradford, 46; Crawford, 28; Indiana, 26; Chester, 24; Greene, 22; Mercer, 22; Armstrong, 21; Berks, 20; Erie, 20; Columbia, 18; Susquehanna, 18; Venango, 18; Centre, 18; Butler, 16; Tioga, 16; Cumberland, 14; Luzerne, 13; Montgomery, 13; Wyoming, 13; Bedford, 12; Washington, 12; Huntingdon, 12; Lycoming, 12; York, 11; Bucks, 9; Lawrence, 9; Lebanon, 9; Dauphin, 8; Jefferson, 8; Lancaster, 8; Westmoreland, 8; Monroe, 7; Northampton, 7; Northumberland, 7; Clearfield, 6; Clinton, 6; Franklin, 6; Mifflin, 6; Perry, 6; Schuylkill, 6; Warren, 6; Clarion, 5; Fayette, 5; Montour, 6; Snyder, 5; Beaver, 4; Fulton, Sullivan, 4; Wayne, 4; Delaware, 3; Lehigh, 3; Blair, 2; Forest, 2; Pike, 2; Adams, 1; Somerset, 1. There are said to be about 1,500,000 grangers in the United States.

### CHRISTMAS.

This festival, one of the most joyous of the church year, has come and gone, and another twelve months are added to the Christian era. The event was duly observed by most of the congregations in town. At the Lutheran church on Friday night, a Christmas tree was enjoyed by the Sunday school children; the exercises were interspersed with singing, and a short address was made by the Rev. Dr. McCron, at the end of which a purse was presented by the congregation to Mr. A. W. Fry, who for many years has been an active and faithful teacher in the Sunday school.

At the Baptist church on Saturday night gifts were distributed, addresses were made by several of the teachers, and enlivening music furnished by the choir and the children.

At St. Paul's Episcopal Church a delightful service was held on Christmas morning. The church was beautifully decorated with evergreens. From the corona in the centre of the chancel, wreaths of green were hung to the gas jets on the side. The lectern, pulpit and reading desk were twined with the same, and the pillars and arches throughout the church were trimmed in a very beautiful manner. The music is said by many who heard it, to have been the finest ever rendered in the church. The members of the choir were at their best, and added greatly to the beauty and impressiveness of the service. The sermon by the Rector was an appropriate one for the occasion, the text being "We have found him of whom Moses in the law, and the prophets, did write, Jesus of Nazareth, the son of Joseph."—*John* 1:45.

On Sunday morning the same music was rendered, and in the evening the sermon was omitted, and a partially choral service used in its stead. The psalter was chanted antiphonally by the Rector and choir.

Christmas day was rather quiet, except the ordinary number of incarcerations in "Fort Woodward" of individuals who undertook to carry a barrel of whisky concealed about their persons. Notwithstanding the hard times, many and handsome gifts were exchanged. It was almost impossible to find a man, woman or child on the street on Friday night who was not loaded down with bundles and packages for Christmas. Old Santa Claus has unhooked his reindeers, and during the next twelvemonth will be busily employed in making all sorts of things for good little boys and girls on Christmas, 1876.

I. K. Miller, agent for pianos and organs, has a second hand Mason & Hamlin organ, which can be secured at a bargain. It has two banks of keys, eight stops and four sets of reeds, and is in good condition. Just the thing for a church or lodge. tf.

The semi-annual meeting of the Columbia Co. Med. Society was held in this place last Wednesday, and brought out quite a large number of the medical gentlemen of the county. The meeting was presided over by Dr. L. B. Kline, of Catawissa. Several medical subjects were presented for discussion, and entered into by the doctors with considerable enthusiasm. Quite a lively discussion was gotten up on the subject of cancer, between Drs. Vastine, Kline, Reber and others. Dr. Lenderling brought up and discussed the operation for fistula. A lively but very friendly tilt between Drs. J. B. McKelvy and Turner on spontaneous evolution created not a little merriment for the society. Dr. Turner related a case of acute Bright's disease treated by the hot air bath, and Dr. McKelvy made some remarks on sewerage, after which a vote was taken for delegates to the State Society, to be held in Philadelphia, and resulted in the election of Drs. Reber, Turner, Wm. McKelvy, and Harder. Dr. J. B. McKelvy was unanimously elected delegate to the American Medical Society.

THE EXCHANGE HOTEL, BLOOMSBURG, PA.—We spent a few days the past week, in the beautiful and prosperous Borough of Bloomsburg, Columbia county, (which was our former home for twenty consecutive years.) during which time it was our pleasure to enjoy the hospitality of mine host, Major W. B. Koons, the gentlemanly proprietor of the new and spacious "Exchange Hotel." This is an entire new edifice, erected upon the location formerly occupied by an Inn bearing the same name, but this is of much larger dimensions and constructed upon most approved principles of modern architecture, and finished in the very finest style of scientific mechanism. The Exchange Hotel possesses the advantage of the most central business location in the thriving village of Bloomsburg, the county seat of Columbia, and for beauty of finish and convenience of arrangement, in all its departments, is almost unparalleled in Northern Pennsylvania.

Major Koons, who has had large experience in hotel keeping, and is thoroughly educated in the art of "catering for the general public," gives to the Exchange his personal attention and careful supervision. His fair dealing and proverbial politeness have long since won him hosts of friends and assured his fortune. Besides, the Exchange table is always found in most admirable condition, and amply supplied with the best and choicest edibles the market afford, and hence the immense patronage awarded the Exchange Hotel.—*Williamsport Sun.*

We clip the following from the *Towanda Journal* of last week. Many of our people will remember the lady mentioned as the one who sang at the concert recently. She has the sympathy of many friends here.

One of the most disastrous fires which has occurred in this place for some time was that which broke out last night in the brick block of Wm. A. Chamberlain on Main street. At about 11 p. m. fire was discovered in the millinery store of I. K. Harris in the north end of the block. Being discovered before it had made any great headway, it was extinguished,—or was supposed to be.

At 2 o'clock, fire was again discovered in the store and the alarm sounded, but this time it was beyond control, despite the almost superhuman efforts of the firemen to check it.

The second and third floors of the block are occupied by the family of Mr. W. A. Chamberlain, and the large jewelry store of Mr. C. is in the store adjoining Mr. Harris.

Such was the rapid progress of the flames, after the fire broke out a second time, that a part of Mr. Chamberlain's family barely escaped with their lives. Mr. L. D. Montanye and family, who were asleep in the third story, were awakened by the smoke, and with difficulty made their way down stairs and out of the building, they not even having time to dress, but were forced to fly in their night clothes, carrying two small children with them. Mr. Montanye is one of the severest losers by the fire, everything in the line of household goods and much valuable personal property belonging to him being burned. We understand that he had no insurance.

His loss is about $4,600. Mrs. Montanye is a daughter of W. A. Chamberlain.

### AFTER THE LADIES.

The Springfield *Republican* is after the Ladies in the following style—we don't know whether he is a crusty old Bachelor or not: "There is a kind of assumption that woman is a neater, cleaner, more sensitive and more refined creature than man. It may be so; but a lady will do many things which a gentleman could not bring himself to do. There is no gentleman in Springfield, for instance, who would walk through Main street dragging part of his raiment on the ground after him. Any gentleman would consider himself defiled by such a performance, and probably would soon find himself in the hands of the police and arraigned before a commission *de lunatico*. No gentleman would care to parade the streets in such attire that one hand was constantly occupied in reefing the slack of his breeches, after the manner of holding up skirts, at the present time. American gentlemen attach the character of gambler to a man who wears many jewels and rings, and recognize a cognate vulgarity in the lady who similarly overloads herself on occasions when personal adornment is not in keeping. What we mean is that there is a modesty and sobriety of attire and even of bearing among recognized gentlemen which the recognized lady has not yet attained."

CONSUMPTION CURED.

An old physician, retired from active practice, having had placed in his hands by an East India Missionary the formula of a simple Vegetable Remedy, for the speedy and permanent Cure of Consumption, Bronchitis, Catarrh, Asthma, and all Throat and Lung Affections, also a Positive and Radical Cure for Nervous Debility and all Nervous Complaints, after having thoroughly tested its wonderful curative powers in thousands of cases, feels it his duty to make it known to suffering fellows. Actuated by this motive, and a conscientious desire to relieve human suffering, he will send *(free of charge)* to all who desire it, this recipe with full directions for preparing and successfully using it. Sent by return mail by addressing with stamp, naming this paper.

DR. W. C. STEVENS,
Munroe Block, Syracuse, N. Y.

"O wearisome condition of humanity!"

How many wretched homes in our land! How many heart-broken invalids! Life with many signifies a more onerous existence. All are subject to disease, but Sickness is usually incurred through exposure or carelessness. Especially is this true with those diseases peculiar to woman. Through her own imprudence and folly she is made to drag out a miserable existence—a source of annoyance and anxiety to her friends, and any thing but a comfort and pleasure to herself. Exposure to the cold at times when she should be most prudent, and overtaxing her body with laborious employment, are both fruitful causes of many of the maladies from which she suffers. Gradually the bloom leaves her cheeks, her lips grow ashy white, her vivacity departs, she continually experiences a feeling of weariness and general languor, and altogether presents a ghostly appearance. What does she need? Should she take some stimulating drug, which will for the time make her *"feel better"* or does her entire system demand reparation? She requires something which not only will restore to health the diseased organs, but will tone and invigorate the system. Dr. Pierce's Favorite Prescription will do this. It imparts strength to the diseased parts, brings back the glow of health, and restores comfort where previously there was only suffering.

Every invalid lady should send for "The People's Common Sense Medical Adviser," in which over fifty pages are devoted to the consideration of those diseases peculiar to women. It will be sent, post-paid, to any address, $1.50. Address, R. V. Pierce, M. D., World's Dispensary, Buffalo, N. Y. Agents wanted to sell this valuable work.

WINE PRODUCTS OF NEW JERSEY.—This State is becoming celebrated for grape culture. Some of the richest port in the world is produced in New Jersey by Mr. Alfred Speer, whose name has become celebrated as a producer of strictly pure unadulterated wine. The Port Grape Wine of Mr. Speer is not bottled or put up in market until it is four years old, and has become thoroughly fine and mellow. It has proved itself a wonderful assistant to physicians, who prescribe it from the fact that they have hitherto found it difficult to obtain a pure Port Wine. This Wine is recommended for debilitated persons; and is given to consumptives to use with fresh raw eggs, and as a medium for taking cod liver oil. The difficulty of getting an imported or even a fine California Port is well understood to be so great as to preclude Doctors from allowing their patients to run the risk of its use. Mr. Speer being aware of this fact has taken the utmost care in the making of his wine from the ripest and finest grapes, so as to supplant the imported wines by producing a genuine article. His wines are known by chemists to be pure and the most reliable for medicinal purposes. The Druggists throughout the country sell it, as bottled by Mr. Speer.—*Chronicle*
